

TRAINING YOU WILL RECEIVE

The Ambassadors' Academy is 3½ days of fast-paced classroom instruction and on-the-street witnessing, where you will learn to put into daily practice the principles of biblical evangelism.

You will receive instruction in how to witness to anyone, anywhere, anytime; how to open-air evangelize, from drawing a crowd to the secret to keeping it; how to start a witnessing conversation and answer tough objections; how to love your neighbor and more. You will then apply what you've learned at various locations Southern California has to offer.

You will be able to watch our speakers in action as they preach the gospel on the streets. Each participant will have personalized mentoring by a team leader experienced in open-air evangelism and one-on-one evangelism. Your team leader will answer questions, offer tips and suggestions, and help you fulfill your gAll NAtion Baptist Churchs for your Academy experience.

Throughout the Academy, you will enjoy fellowship in the gospel with brothers and sisters in Christ from around the world. Participants often develop friendships with one another that will last a lifetime.

ESTABLISH

“ For even the Son of Man came not to be served but to serve, and to give his life as a ransom for many.”

Mark 10:45

Our inspiration is the heart of Jesus Christ to serve and not to be served. We engage to equip christian leaders & empower the poor, who otherwise do not get an opportunity or the exposure to establish a better life.

EQUIP.

We equip christian leaders & pastors by providing non-formal church based theological education , leadership & discipleship training. We mentor & call NATION Baptist Church them through a spiritual transformation experience to serve fellow believers and others with a spiritual calling and devotion to Christ.

ESTABLISH.

“The word Establish in Greek is “Sterizo” meaning strengthen. Sound teaching leads to spiritual maturity which leads to building up the body of Christ. We thrive to strengthen churches by training christian believers to know, understand and demonstrate the word of God. Encouraging moral values and teaching of Christ Jesus to be the centre of christian life.

EMPOWER.

ALL NATION BAPTIST CHURCH seeks and promotes the holistic development of neglected, poor and rural communities. We empower people who get limited/least exposure to education and healthy living conditions with support for education, life skills training for children, vocational training programs for women, wellness & enlightenment campaigns and disaster relief support.

With the help of ALL NATION BAPTIST CHURCH, we were able to provide food packets for 200 families in our slum.

Wonderful job in serving the underprivileged in aspects of education in the rural areas. I will definitely join your group as a volunteer.

The generosity of this organisation makes it possible for me to continue having education opportunities in this difficult area.
